

Scouting Values Faith

For over 100 years, Scouting America has enjoyed the partnership of religious organizations. Together we have enriched the spiritual lives of youth, each of whom strives from the perspective of their own personal belief to live up to the Scout Oath & Law.

As a Scout experiences the wonders of the outdoors, stormy weather and calm blue skies, pounding surf and trickling streams, towering trees and barren desert, they experience the work of God. Appreciating life in its multitude of forms, from the smallest insects to gigantic wildlife, a Scout comes to terms with their place in the world.
